

# What should I do in a natural disaster?

~ Let's learn, ask, and communicate in easy Japanese ~

If a large disaster occurred in your town, what would you do?  
Let's enjoy learning about important disaster prevention tips together.

Both foreign residents and Japanese are welcome to participate!

Participation with your family is also OK !

**When**

**30th July** (Sunday)

9:30 am – 12:30 pm

**Where**

**Masuda City Human Rights Center**

(3-1 Suko-cho, Masuda-shi)

**Content**

\*This will be held at the same time as the "Training for Foreign Supporters in Times of Disaster"

- Disaster prevention quiz
- Experience an earthquake on an earthquake simulation car!
- What kind of place is an evacuation shelter?  
We will role-play an evacuation shelter and distribute emergency food.

Earthquake simulation car

Lecturer: Mr. Teruaki Ito

(Sekisei Disaster Prevention Research Institute, a non-profit organization)
