

I have homework, but I don't really understand the meaning of the questions...

Japanese used in school is too difficult....

It would be nice to have friends who share similar roots from foreign countries like me.

I don't understand what is written in the school printouts, can someone please help me.

I want to send my child to high school, but I don't really understand the Japanese school system...

## CONSULTATION DAYS (FOR PARENTS)

You can consult and exchange information in foreign languages.

Why don't you talk about school, career, study and life in a foreign language with the staff of Shimane International Centre and parents with foreign roots? You are welcome to ask anything you want to know or have trouble with, or just have a fun talk!

The Shimane International Center staff will be available to listen to your concerns.

I'd like to casually talk about school-related topics in a foreign language.

- We can provide support in Portuguese, Tagalog, Chinese, English, and Vietnamese.
- When requested in advance, staff available in the foreign language of your choice will be arranged.
- The first session will be on June 9th.
